Message from our Pastor

When August comes each year people experience many things. It is one of the hottest months of the year, peoples tempers get short and harvesting tobacco is now in full swing. Andy Griffith is the highest rated TV show and Gunsmoke is a Saturday Night must.

All of these are things I remember from many years ago.

It is important that we remember the things of the past if we are to face the future with confidence. The bible says in Psalms 20:7 "Some trust in Chariots, and some in horses; but we will remember the name of the Lord our God." If we remember where all of our blessings come from we will be a more thankful people. The memories of the past are good but we should be making memories every day. God loves us and we should love him in return. With a lot of people on vacation and busy with family events, we should not forget GOD. Please stay cool, calm and happy, and remember to make happy memories.

Love,
Terry & Ann
