Message from our Pastor

When February comes around most people think about Valentine's Day. It is a day when we give to the one we love a heart shaped box of candy and a card that expresses our love. When I think of Valentine's Day as a christian, I think of how much God loves us because he expressed his love by giving his life on the cross to show how much he loved us. The Bible tells us in John 13:35 Jesus said "By this shall all men know that ye are my deciples, If ye have love one to another." If we are truly God's children, we love each other even when we may disagree from time to time. May we not only tell each other that we love them but we should show love everyday. Ann and I love each of you because you are all very special.

Love,
Terry and Ann
