I am the vine, ye are the branches; He that
abideth in Me I in Him, the same bringeth
forth much fruit: for without Me ye can do
nothing.
15:5 John

Ann and I would like to thank all of you for your expression of Love and kindness. We would like to take this opportunity to wish everyone a very happy new year with many new beginnings and new opportunities. Our God is good to us and Our Prayer is that we love him more in 2010 as ever before. As we see the end approaching, may we be ever mindful of our actions and decision and his soon appearing.

We Love you all
Ann and Terry

Attention all members

We are in the process of changing our thermostats so they will work automatic from heat to AC. They will be set at 70 degrees for heat and when the temperature gets to 73 degrees, the AC will come on to get temperature back down to 70 degrees. The same with if it gets less than 70 degrees, the heat will come on. We know this will not be suitable to everyone but 70 degrees seems to be a reasonable temperature. Please dress as you need to for these temperatures.

The Building Committee

The building committee is in the process of building new shelves for storage of items in our storage building that are used for special events. When items are taken down, such as a Christmas play, there is a special place for all items to be placed neatly so they are not damaged and easy to find next year. If you know of items that are not stored in its proper place, please take care of this asap. We are planning to start our project in January of 2010. Many items are damaged and will be thrown away as it is too damaged to be used again. Your help in keeping all items in good shape and in the proper place is greatly appreciated.

Thank you
