A MESSAGE FROM OUR PASTOR

Now that June is here, many things has changed. The temperature is hot, grass is green, gardens are planted and Father's Day is almost here. Any man can father a child but not every man can become a true father. A father

is one who accepts the duties, responsibilities and challenges that comes with each child's life. When a man becomes a father, the hope, dreams, and plans of his child becomes his. The Bible says in Psalms 8:4 "What is man, that thou art mindful of him? and the son of man, that thou visitest him?" King David questioned why God was so interested in man and why he would not forget him but would come to him. God loves us and is concerned about us. If your father is still living, let him know how much you love and appreciate all he has done for you. If he is already gone, honor his memory and live for the Lord till we get home.

Happy Father's Day
Ann and Terry

Dear Church Family, Friends and My Family Members,

As most of you know, on Saturday, May 1st 2010 at approx 2:30pm, I was knocked down flat on my face by a tractor and unconscious for a few moments. The front cultivator sweep cut my shirt along with cutting me, but I believe that is what saved my life that day. God had his hand on me all the way. The rear tire of tractor ran up my left leg, left arm and left shoulder but thanks to God, it did not run over

my head. I was cut up by the sweeps, had lots of bruises and my left shoulder blade was crushed and broken. I was carried to Wake Med emergency room by Selma EMS where I stayed for approx 10 hours. I want to say thanks to our Thanksgiving Fire Dept First Responders and Selma EMS and Wake Med emergency dept for the care and attention I received that day. It has truly been a blessing to me for all the calls, cards, prayers, and all the offers of help that has been shown by so many people. I do not know how the news traveled so fast, but my family started getting calls to the emergency room at Wake Med that day about 6:00PM from people that were concerned. It is a blessing to know that you have friends that care about you and that pray for you. Your prayers have really helped and God has honored them. I still have a ways to go before I am able to use my left arm and shoulder fully but Praise God, I can use it a little now as of May 20th. The doctor still does not want me to drive but thanks to a good wife and a good family and friends, I get to all the places I need to go. In closing, I would like to say, that if you have not seen a miracle and a blessed person, LOOK AT ME!!!! Because I am truly a miracle and a very blessed man and the thanks I give to GOD.

May God Bless Each of You,
Jimmy Barbour
