A MESSAGE FROM OUR PASTOR

With the month of March arriving the weather starts to warm up, trees and plants begin to put on new leaves. Coats are put away and flowers begin to bloom. We at Branch Chapel have just entered a new phase of where and what we will do for

Jesus. We do not know what we will face in this new season but we do know that Jesus is with us and he will never leave us. Just as when we accepted Christ we started a new journey, facing new problems but with the assurance that we are promised to be victorious with his help. The bible says in II Corinthians 5:17 "Therefore if any man be in Christ, he is a new creature, old things passed away; behold, all things are become new." As we see the world around us breaking forth in new life, it is a new start, a new beginning with many new possibilities. We are also reminder of his presence, his power and promised victory for him. May we all work together to accomplish his will for our lives and his church.

Love,
Terry and Ann

GOD'S WILL FOR US

The church members here at Branch Chapel have just celebrated a great joyful event. On February 14, 2010 we all came together to celebrate the pay-off of our mortgage after a fire that destroyed it in 1996. We all pulled together as a body and trusted in Jesus Christ. But what now? what is next? There will always be new projects and events to plan as we continue to service the Lord. We must come together as one body in Christ that is the only way to accomplish Gods will for our church.

Romans 12:5 tell us "So we being many, are one body in Christ, and every one members one of another."

God wants his people to be holy and pure.

God wants his people to display unity.

God wants his people to love one another.

- God pursues a continuing relationship with his church that is real and personal.
- God invites a church to become involved in his work.
- When a church sees where God is at work, it is an invitation to join him.
- God speaks by the Holy Spirit through the Bible, by prayer, circumstance and the church.
- A church will face a crisis of belief when God invites it to become involved in a work only he can accomplish.
- A church will have to make major adjustments to join God in his work.
- A church is totally dependent on God for accomplishing tasks of Kingdom value.
- A part from God a church can do nothing of Kingdom value.
- As a church obeys God, it will come to know him by experience as he does wonderful things.
