Message from our Pastor

With the month of May upon us, there are some things we need to think about. Almost half of 2010 is gone, our plans of accomplishments are not all done. Our hopes for our children, grandchildren and our church are not all reality. When we think of May we remember Mother's Day. Jesus said in Matthew 12:49 "He stretched forth his hand toward his disciples, and said Behold my mother and my brethren". Mothers are special because God has given them the responsibility of bearing and raising a gift from God. Mothers love, teach, care for and influence their children. She deserves love, honor, respect and appreciation. To those whose mothers are still alive, please show her how much you love her. For those whose mothers are gone on, remember her special touch and love she gave to you. May all our mothers have a blessed and happy mother's day.

We love you all,
Terry and Ann

We now have 8 receiver devices available for hearing impaired. Anyone needing help hearing the sermon, please see Jimmy Barbour. These are to be turned in after each service.

As a church, we will be participating in the FWB Children's Home Annual "Change for the Children" campaign. I have designated Sunday, May 16th as our collection day. This campaign will help raise additional funds for the Children's Home, allowing them to meet the needs of God's children. Over the next couple of weeks, I encourage you to start saving your change for collection day. Please continue to pray for the FWB Children's Home and their Christian childcare ministry.

Son Quest Youth Camp 2010 **Branch Chapel Free Will Baptist**

August 1-6, 2010.

We will be attending Camp Vandemere. Camp offers the opportunity to turn aside from the busyness of the world so we can enjoy the majesty and awesomeness of God. There will be many activities available to participate in; as well as, times to learn more about God and His Word. We will have times of devotions, chapel, and music. We will also enjoy swimming, volleyball, canoeing, paddle boating, fishing, crafts, and other activities.

The camp is open to boys and girls, ages 8-18.

Why do you give?

When an anonymous donor's blood helped save Amanda's life, her mom Catherine realized the importance of giving.
